This is probably the most complete version available (I never had a chance to find any orchestral scores). It's noteworthy that this score is the 1935 original. Almost every production of Porgy and Bess will perform an abridged version, but this score does not indicate where Gershwin made those cuts.

Perfect !

Exceeded my expectations. Nothing is missing.

This is the complete piano score of Gershwin's epic musical/opera. Every note is here! It's expensive, but if you're a music director mounting a performance of Porgy and Bess, look no further.

The score is fine. I wish it had a little bit about the opera and composers to enrich my knowledge of the music.

This book was a gift to my housemate, a music teacher retired with 22 years' experience, who majored in organ, but now finds pleasure in a household Korg piano instead. She was a bit intimidated by the sheer size of the volume to begin, but, as promised, the songs are in a gradient of difficulty from easy to hard, and she is having great fun honing her somewhat rusty skills up that gradient. Overall, well worth the price to anyone to whom piano is a passion. xanthian.

The score was delivered in excellent condition and just as provider described. I am very pleased and will use this service again with confidence.
