Alison Behnke is an editor and writer. She has written numerous books for children. Her titles include The Conquests of Alexander the Great ,Afghanistan in Pictures, China in Pictures, Italy in Pictures, Japan in Pictures, North Korea in Pictures,South Korea in Pictures,Jack Kerouac, and Pope John Paul II.

This book is a hardcover and is not very long, but it does a good job at depicting various aspects of the culture and the country in a summarized way. It also contains very nice photographs on every page. I was born and raised in Paraguay and bought it for a good friend of mine as a souvenir. I was very pleased with this book that I would definitely buy it again in the future.

We made a family who is from Paraguay now living in the US very happy on Christmas day when they opened this book. They loved it and the pictures are beautiful.
