Customer Reviews

I got the book hoping that the arrangements would be faithful to the movie, but these seem to be based mostly on the stage show (e.g. Science Fiction Double Feature which is sung in Bb by Richard O'Brien in the movie is given here in Eb as sung by the Usherette in the stage show). Still in all, these are fairly good arrangements, and this is probably one of the only books to be found of this music.

Excellent purchase, the song book is done in a very good manner.

Great quality! Shipped fast.

If you bought this sheet music thinking its a sheet sample from the Original Roxy cast then I have some bad news, this songbook was from the revival cast from the 90s that doesn't feature Tim Curry or any of the older guys. Just thought I'd let you know, personally I don't mind but I was expecting this songbook to be from the Roxy cast.
