Beverly Lewis, born in the heart of Pennsylvania Dutch country, is the New York Times bestselling author of more than ninety books. Her stories have been published in eleven languages worldwide. A keen interest in her mother's Plain heritage has inspired

Perfect for the 11 year old girl branching out into more independent reading dealing with the issues of middle school. From a faith based perspective...but not too much. We are in missions and I want her to read books that not only the ones on our adult shelves. The kindle version of these 5 books kept her busy for 2 months. It was great. Then she was back to trying to read my Beth Moore books. Time to get the 2nd installment!

I loved this book and is one of the only Christian books I've read other than the bible , in conclusion this is a great page turning book

My Granddaughter loves this book. We got it for her 12th birthday. She asked us to get her more of the series for Christmas!

I loved this book it was the first book in the series that i read and it was fantastic!!!!!!!!!!!!!! I COULDNT PUT IT DOWN LITERALLY COULDN'T PUT IT DOWN. MY MOM SAID I WAS READING TOO MUCH. She said that I needed to give my eyes a rest but I couldn't it was too good. I took it every where even in a store while my mom was shopping. It has a great story line. It talks about how she doesn't think she fits in just because she doesnt look like other girls. It also talks about boy trouble and her first break up. Also how she deals with that too. Its a very good book for Christian girls. If you are a mom who thinks like my mom, you want your daughther to grow up a christian life. And this is a very christian based book. But dont get me wrong it is not like a sermon book. It is very entertaining. I plan to read the next book in the series!!!!!!!!!!!!

for teen. but my wife is still reading.

This is a great book! Holly is a very memorable character, and the book is enjoyable for anyone ages 12-16. I bought this book and have enjoyed reading it. :)

Bought this for my 17 year old daughter for Christmas. She finished it in 3 days. She loved it and said my 12 year old daughter would enjoy it also.

This book came in great shape. My wife will read it during the boring winter season.
