purchased for my son who will be in Iraq soon .I was very pleased .smart packaging ,sturdy book and cd cover .Good basic guide easy to follow the military offers many programs to the soldiers .picked it up for him thought might help

This is one of the few language toolkits for Iraqi Arabic with a booklet, an audio CD, and

supplementary flashcards. The booklet starts out with greetings, places, foods, clothes, medical emergency, and then goes into military terms, commands, and weapons. All items in the book are written in the Arabic alphabet and transliterated for those who cannot read it. The audio CD repeats each word/phrase twice with a native speaker. The flashcards are an overview of the phrases/words presented in the booklet. Great compact learning tool for those on the go and who need quick reference material! The booklet presents real Iraqi dialect and expressions so you WILL be able to communicate more effectively with Iraqis in a global conversation. I wish the publisher would make one for Kurdish-Sorani or Kurdish-Kurmanji, that would be helpful for foreigners/aid workers in the northern regions of Iraq.
