## Customer Reviews

Peter Chan has been awarded twenty-one Chelsea Flower Show gold medals, a record among bonsai specialists. He is the author of eight bestselling books on bonsai and gardening, and his books have been translated into many languages. Chan lives in the United Kingdom, where he owns and operates a bonsai nursery.

The book covers all the basics of bonsai care and training. Many of the trees in the illustrations are more penjing than bonsai. You'll get a look at the Chinese penjing style, where bonsai originated, as well as the more refined Japanese bonsai styles.
