With more than 130 million products in print, Max Lucado is America's bestselling inspirational author. He serves the Oak Hills Church in San Antonio, Texas, where he lives with his wife, Denalyn, and their mischievous mutt, Andy.

This is one of my very favorite devotionals of all time. I've had mine for about 13 years & have gone through it probably 9 times...& I keep finding new things that stand out today that didn't hit home last year or the year before! I love it! Love his writing...down to earth...very understandable.

I have Volume II which I have used for three years which I love. I decided to give my Mom a copy of Volume II and she loved it. I received Volume I as a Christmas gift per my request. My Mom asked me if there was another book so I purchased this Volume I for her as well. The reading are easy and direct without being preachy but lessons given and received. I love reflections that are not lengthy

and wordy but to the point. Very happy with my purchase.

This book has been a source of direction & help in my life . I have owned a copy for over 10 years & it never gets old to me . I have bought copies for my 2 sons , friends & family . It's well written , and I can't say enough about the book . It's my favorite max Lucado daily devotional .

How can you miss with Max Lucado? This is one book of many that I have written by this inspirational and down to earth man. I include each day's reading in our devotional time each morning.

This is a very good daily devotional book! If you have never read or heard Max Lucado he has a distinctive speaking and writing style. He is both abstract but to the point so there is no problem understanding his thinking. The daily thoughts are very encouraging and are a montage of quotes from his other books. There are also appropriate Scriptures to highlight each of the days readings.

I am so touched by this devotional. I read it every day before my prayers. I love Max Lucado's writing style and can always depend on his writings to give my day a lift. He really has a gift of translating today's struggles with biblical teachings. Some of my favorite life lessons come from this sweet little book.

I received an earlier edition of this book from a cousin more than a decade ago. When another cousin was facing serious surgery and a lengthy recovery, I found this new edition with the lovely cover on . The recipient appreciated receiving it so much - Max Lucado is a favorite author of hers as well. No matter how many years you might read his daily devotional books, the readings often seem to apply to the challenges life brings on those particular days. Thank, , for keeping such wonderful inspirational books readily available.

This is one of my favorite of Max Lucado's devotional books. Every morning I read the day's devotion, and I also read "Every Morning" which is part of the introduction to the book. It consists of the 9 Fruits of the Spirit with a little prayer or reminder for each one of them. It helps me to remember how to show the world I'm a Christian each day.
