(15x15) Sports Illustrated Swimsuit - 2015 Deluxe Calendar

Item delivered fast as advertised and the photos are very sexy!

This is a very nice wall calendar and I know my husband will be proud to hang it in his workshop!

For me the March picture of Hannah Davis alone is worth the price of the whole calendar - but that's just me. Beautiful ladies, as a calendar it lacks something in that the dates are not in a grid even, but who is looking at the dates on this one? Kate Upton starts it off right as the January picture.

Not much of a calendar (the days of the month are in a vertical line down the side; takes up 15% of the page at most), but contains good pictures. Wouldn't recommend if you're looking to write things in boxes, though.

Great pictures, not much of a calendar. I'd rather have had more of a standard calendar format with the pic above, calendar grid below; this one is pretty useless for calendar purposes. It does go well with the decor in my man cave, however.

Got this for my technicians in my shop. needless to say they love it. However, the calendar portion for each month is very small. In fact its just kind of listed on the side. I dont think they mind that though.

As usual, the SI swimsuit team has created another year's worth of excellent photography. I look forward to the new edition every year and have yet to be disappointed.

It got delivered on time and have the satisfaction on continuing purchasing merchandise from .Will recommend to family and friends.
