Frye's 3300 Nursing Bullets For NCLEX-PN®

Synopsis

Completely updated, with over 300 new bullets, this compact, easy-to-carry review book is an invaluable preparation tool for the NCLEX-PN®. It contains easy-to-read bulleted key points of essential information in all subject areas of nursing, presented in random order to prepare students for the random-order questions on the exam. New topics covered in this edition include collaboration with multidisciplinary teams, performance improvement, staff education, disaster response, home safety, injury prevention, occurrence reporting, security planning, safety devices, high-risk behavior, cultural diversity, family dynamics, alternative and complementary therapies, and violence precautions. Also included are strategies for taking the Computerized Adaptive Licensing Test.

Customer Reviews

I love it. This book has all these bullets that give you facts about nursing care in general. It has info from the very first day of nursing school till the last it helps you remember things that you might have forgotten from fundamentals, med surg, pediatrics, maternal, psyche without having to search throughout 5 or 6 different books. I would definitely recommend it.

Perfect review if you're getting ready for the NCLEX!

This book is excellent! I purchased it for one of my students. The information provided is straight to the point. Provides students with great knowledge without having to read through several chapters

for answers.

Perfect for reading quick nursing facts!! Used this when I was studying for boards:) Can't say that I owe passing boards to this book, but it was definitely a nice change from studying my other typical NCLEX review books.

GREAT TO READ ANYWHERE YOU HAVE SOME TIME TO BUY OUT. I GOT THE ONE FOR RN, FOR A PAL, LOVED IT. GREAT EDITION

Passed nclex ...this helped!

I felt this book was a helpful for a review , everything in this book I read somewhere during my studies. It was a great refresher and I did see the same answers on the exam. Defiantly worth the money.

Great great its great for your exam
