He Got The Streets And My Heart On Lock: A Love Story

Synopsis

Sevynn Marie Mathews is a nineteen-year-old girl, filled with nothing but anger. Living with her overly submissive mother and drunk of a step-father has made Sevynn despise the both of them. Baring the hurt of losing her father at a young age, she has built up a wall of anger, shielding nothing but hurt behind it. Sevynn is an attitude filled, feisty girl and getting a man is the last thing on her mind but it's hard trying not to fall for a man that's doing all the right things and Mr. Vince Powers was doing all the right things...Vince "Venom" Powers. Everyone in the streets of Raleigh knew the name. Some feared it, some hated it but most importantly they all respected it. Growing up in a single parent household has only pushed Vince to grind until he never had to want for nothing. At age twenty-four Vince was nothing short of a business man...along with a bad temper, rude and a little unbalance. Vince was only focused on money and his family everything else was nearly irrelevant that is until he lays eyes on Sevynn...Ziya Laelle Arthur, was very different from her bestfriend Sevynn. Ziya loved going out, having fun and basically doing whatever she wanted, when she wanted. With her mother being a high demand surgeon she was left to basically raise herself. Unknowingly, a very drunk one night stand was about to put an end to her ways and little did she know, she was about to fall in love with a man she thought she would never see again...Could these two best friends handle the crazy street love that's coming their way?

This book had me from start to finish and i can say i was very pleased with this storyline and loved the characters and can't wait to see what happens next

Amber Shanel phenomenal job on this book ,It flowed smoothly and the characters I instantly love .Sevynn and Vince relationship I just hate that Vince had to bring up what he did that was foul. Vince should have told Sevynn who she shot Great read can't wait for part 2

The book started off really good. However close to the middle of it things started to move extremely too fast. Like she didn't know how to transition so she just went for it! Something's just aren't adding up. Hopefully part 2 will be better thought out and put together
