Customer Reviews

CRAIG REDMAN and KARL MAIER live in different parts of the world (New York & London) but collaborate daily to create bold work that is filled with simple messages executed in a thoughtful and often humorous way. They've had work exhibited around the world, most notably at the Musée de la Publicité (Paris), Onassis Cultural Centre (Athens), Museum for Contemporary Art (Mexico) and the Museum of the Moving Image (New York) and they've worked on projects for clients like LVMH, Google, Nike, Apple, Vogue, Vanity Fair, The Washington Post and The New York Times.

AAA+

Sticker Art is new and popular way to have fun. In this book you will have stickers to place on your

very own Savanna portraits. There are fun facts and easy to use large stickers for those who have small hands. Bright and colorful sure to attract little ones. I highly recommend this book to be added to your child's collection. I was given this book from Quarto Knows for an honest review.
