Customer Reviews

This book has a nice variety of Christmas favorites and a good mix of songs that are easy to sight read for intermediate players and others that require a little more time and effort. A great buy for such a big book of songs!

Lots of good practicing material, nice arrangements. Not all are "best known," but there are some nice ones that are probably less known. I thought it would be a bit easier to play some of them than turned out to be true, but there are enough songs in easier keys to play right away!

This collection is excellent. I have been working on the piano myself for several years and am finally up to this level of playing--there are many classics and, yes, some that I didn't know. But the fun is being able to play and enjoy them all over again. A great book matched by its great price!!

Love this Christmas piano music book... so many wonderful Christmas songs

I started playing the piano again after so many years and wanted a book for the holidays. This one is great. It has all the Christmas music. I used to have two or three books just for the holidays, now I have one. Great book!

Great compilation of Christmas songs - wished it was in a binder - it won't stay open on the music stand.

It was great!! We like to sing Christmas carols on Christmas eve as a family, and this made it possible

Good Christmas Selections
