The Scotch Queen

Synopsis

I wasn't sure what changed my mind about giving London to Bones, but something did. Now London is officially mine. She's sassy, feisty, and she still tells me off when I have her under my thumb. I love it. Now I have a deal with the Barsetti brothers, Josephine is still pining for me, and revenge is heavy on my mind. I'm not sure what to do with London now that I'm not gonna kill her. But I'm certainly not going to fall in love with her.

Oh My Such a Naughty Queen!!! I absolutely Loved this Book for lack of a better word, clearly Not a Book but a very good continuation of Book One, with that said The King has Met His match!! Can't wait to see who check mates their relationship!!!! Well Done penelope, you're books are like being on Literary Crack I'm so addicted!!!

Just finished scotch king and scotch queen and can't wait for more. Hate that I have to wait another week for the 3rd book Scotch Royals. And I want more than 3 books. Can't get enough. This series and the Buttons and Lace Series are unbeatable. Read them. You won't be sorry and you will be begging for more.

Pure excellence in a book and The Scotch Queen continues to please the eyes. Loved every page of this one and now have to read the next one. I volunteered to read an advanced copy of this book.

Simply one of the most enjoyable books I have read!! Fast paced, so much so I was surprised it was over. This series is worth every single penny! So anxious for the next book! Don't miss out on this series folks.

Loved the story. I'm just not use to this writer prolonging the story the way this one was drawn out. It just took too long to get to the point.

Always impressed with all the books written by Penelope she is a wonderful story teller. This book kept me up all trying to finish it.

I really love this so far I have loved the story behind it all its very intense And I want more

Did not fathom the ending of this book going this way!! So dissapointed in Crewe....
