Excellent, detailed guide to various drives in Atlantic Canada. We are using it to plan a trip to Nova Scotia.

Fantastic information about driving in Nova Scotia. Good maps that really help to plan.

Wish there were more photographs. Since the descriptions are mostly text, hard to visualize a part of the continent I am not familiar with.

This is the perfect resource for planning my Nova Scotia road trip.

Easy, clear reading. Very Helpful.

Lots of great information.

There is so much to choose from while traveling Atlantic Canada. This book helped us narrow down all the choices and plan our places to visit.

This was bought as a gift and I've not actually seen it, but my parents who are planning a trip to Nova Scotia next year said it helped a lot.
