John M. Samson is an expert crossword puzzle constructor and editor. His crosswords have been published in leading magazines and newspapers across the country, including *The New York Times*. He lives in upstate New York.

The paper won't suck the ink out of your pen, and the pages are perforated for easy removal, but

this series -- and this issue in particular -- are not carefully edited. Series e.g.: more than once you will be required to enter "reeds" for the definition "flutes and oboes"

This is a great book size-wise, I won't run out of puzzles any time soon, but the puzzles are a little unusual compares to most; sometimes it seems like they almost make up new words. It's fine, just not your typical crosswords.

Purchased as a gift for my husband. He loves the MEGA series. Great price and arrived quickly.

Awesome price for this book. Very pleased

Good crosswords puzzles, but I'm not a fan of the ones with long quotes etc. that are almost impossible to figure out.

was a gift.

Have been Buying these Crossword Books for a few Years and Very Pleased with the Variety of Themes and the Challenges they Impose!! There are 300 Puzzles in each Book which have lasted me for over a month for each Book. Would Highly Recommend them to Crossword Lovers!!

My two favorite crossword books are Simon & Schuster's "Mega" and "Super". The "Super" is an oldie with very few issues still available. Both books have pen-friendly, smooth, bright white paper with nicely perforated pages. I can easily remove a few pages at a time to clamp onto a clipboard.
