5 Hebrew Dialogues With Vocabulary, Translation And Exercises

Synopsis

In this book you will find five different Hebrew dialogues, complete with translation, transliteration, vocabulary and additional comments and exercises. The dialogues are designed for beginners to intermediates. Depending on your learning level you can use them to a) read single Hebrew words with the help of the transliteration, b) expand your vocabulary or c) study the use of grammar. The five dialogues are ordered by difficulty with the first being the easiest and the last the most challenging. This publication uses a simplified transliteration to indicate the right pronunciation and is optimized for English speakers.

Customer Reviews

Love this as a supplement to private Hebrew lessons. It's very helpful and simple to use. I highly recommend it!

Wish it were a bit longer I was surprised how short this book was. Very helpful in pronunciation. Definitely reading faster

While the material is cute, it is short and very basic. Those with knowledge of the Aleph - Bet and a few basic words should be able to follow the material but don't expect a full blown Hebrew course by any means.

Just downloaded on loan on Prime account. Is there there a typo in the first chapter? The words 'shlomchah' and 'schlomech' are used. Michael uses the phrase 'ma shlomchah' when he addressing Asaf. She responds and uses 'ma schlomech' when she makes the same inquiry of him. Should these phrases be reversed, e. g. Michael using 'schlomech' when inquiring of Asaf and vice versa? My understanding is that 'schlomech' is used when addressing a woman. Do I have it wrong? Have only taken cursory view of book, but this caught my attention. Will write a review and rate after I have completed my review.
