Workbook/Laboratory Manual For Kontakte

Synopsis

This combined workbook and laboratory manual contains both acquisition activities and practice exercises for use outside the classroom. The Answer Key at the end of the workbook/lab manual (Arbeitsbuch) allows students to correct many of the activities themselves. The workbook/lab manual (Arbeitsbuch) activities and the related audio recordings are also accessible in Connect German, which also features an audio/video chat tool.

(Ph.D. University of California, Berkeley) is Gerhard Helbig Professor of German as a Foreign Language and Applied Linguistics at the University of Leipzig and President of the Institute for Test Research and Test Development in Leipzig, Germany. Before joining the University of Leipzig, he taught at the University of Iowa, Iowa City (1990-1998) and at the University of Michigan, Ann Arbor (1988-1990). His main research areas are: second language acquisition, corpus linguistics, language testing and assessment, and language policy. He is (co-) author of over 150 books, book chapters, and journal articles. He has extensive experience in test research and development for all language modalities (speaking, listening, writing, and reading). He has been a certified ACTFL OPI tester since 1989 and tester trainer since 1993. He has been a major contributor to the internationalization efforts of the University of Leipzig, establishing and directing joint BA, MA, and Ph.D. programs with universities in the Netherlands, Mexico, Brazil, and the U.S. (First and Second Staatsexamen, Göttingen and Fulda) is Oberstudienrätin (German, English, Physical Education)

at the Werner-von-Siemens Gymnasium in Bad Harzburg, Germany. She taught German at all levels of instruction at the University of Michigan, Ann Arbor, and at the University of Iowa, Iowa City, and she was a Wissenschaftliche Mitarbeiterin at the University of Bayreuth, Germany. She is co-author of *Assoziationen: Deutsch für die Mittelstufe* and the series *Lextra “ Englisch Grund- und Aufbauwortschatz nach Themen*. Her main interests are: the role of vocabulary in language learning, reading strategies, and the role of art in language teaching. She has been a certified ACTFL OPI tester since 1989. Tracy D. Terrell (late) received his Ph.D. in Spanish Linguistics from the University of Texas at Austin and published extensively in the area of Spanish dialectology. Professor Terrell's publications on second-language acquisition are widely known in the United States and abroad.

This workbook was okay. There are parts that require listening to the DVD (supplied with the textbook ONLY, not this workbook) so this workbook cannot be completed without purchasing the *Kontakte* main text (-1). Overall the exercises were acceptable and not too dry. The examples were simple. I think there are better ways to do the activities without feeling so grueling. It would also be nice if some of the directions were in English, having the directions in German in addition to the questions seems like it makes it a little harder but maybe immersion improves the learning and retention. Overall the workbook was acceptable and the *Kontakte* text book that is required to have the audio cd is a little better.

No sketches, just like new! I love using this to learn german. Especially love the listening exercises.

The workbook worked great for my German class. This item should be bundled with the text book with a discounted price.

Ordered Friday, Delivered Saturday. No hassle, in perfect condition, I did expect it to be in color which it was not but not a huge issue.

The book was in excellent condition

Great workbook for German classes with easy to tear perforated pages and simple exercises awesome!!

This is just what I needed for my first university German class. Engaging, colorful edition, I like it very much.
