Customer Reviews

The story is good but a bit wordy for younger children. The book was much smaller than I expected. I guess this purchase taught me to pay attention to the dimensions listed in the product information.

Cute book for all ages! Was a little smaller in size than I thought, but that was my fault for not reading the specs.

This book is an excellent way to introduce God to a pre-schooler. The book outlines important things to pre-schoolers and explains on their level that they are a result of God. We have found this book to spark questions from our pre-schooler that have given us an opportunity to help her understand religion.
