Customer Reviews

This is the sheet music for Ave Maria (the Gounod one) and it comes in a nice booklet with the piano and violin score, and inside is the actual paper sheet music folded in two; one side has the violin score and the other has the cello+second cello and organ score. It's really nice to have the actual sheet to photocopy, and it's more organized and clearer than online downloads. Overall, it's a good investment if you want to play this piece :)
