Customer Reviews

I attend a fundamental Baptist Church and all the songs that we sing are in this hymnal even though I attend a Spanish speaking church. I do recommend to buy.

Ok

Perfect!

nice

Love it

We had a book like this at my church but someone kept taking pages out so we need a replacement book.

There are enough songs in this book to keep your church going for years. They're beautifully arranged, but I find them hard to play. My son plays violin and I play flute, so we share a book. Some of the keys are very hard for me. If you're an experienced musician, this is the book for you. Don't buy it for children, it will frustrate them.

This is another in the series of the music books our church minstrels use. It is a tremendous system for church musicians.
