Winter White (Belles)

Synopsis

Isabelle Scott and Mirabelle Monroe are still reeling from the revelation that they share more than just the roof over their heads. The media has pounced on their story, and while Izzie and Mira have each put on a happy public face, someone is leaking their true feelings to the press. It seems as if the world is watching their every move, but at least the girls have each other. With cotillion season right around the corner, however, Izzie and Mira have barely had time to process their newfound sisterhood. Mira has dreamed of making her debut in a gorgeous white gown forever--now if only she had an escort... Izzie, meanwhile, is still struggling to find her place in Emerald Cove, which seems ever more impossible with EC mean girls, young and old, trying to keep her down. As cotillion preparations heat up, there are dance steps to learn, manners to perfect... and secret initiations to complete? It's time for the gowns to go on and the gloves to come off.

Gr 7-10-Calonita continues the drama of sophomores Isabelle Scott and Mirabelle Monroe, who discover that they are not cousins after all but half sisters. Their mutual father is running for political office in North Carolina and his opponents will stop at nothing to exploit the scandal. The Monroe family is bouncing from one interview to the next, trying to rally together, despite the strained relationship between the siblings and their dad. As the girls prepare for cotillion, they face their own struggles. Mira's former best friend has ostracized her and the one boy she wants to date is clueless about her feelings for him. Meanwhile Izzie's relationship with Brayden heats up only to be sidelined by his disapproving mother. When Izzie meets Brayden's rebellious sister, she thinks she's met the one person in Emerald Cove who gets her--except that his sister has an agenda of her own. To heighten the drama, someone's been feeding lies about the Monroe family to the press. *Winter White* is an engaging sequel to *Belles* (Little, Brown, 2012) but can be read as a stand-alone. Readers invested in the lives of these characters will want to continue with this saga. Somewhat predictable, but fun. -Kimberly Garnick Giarratano, Rockaway Township Public Library, NJ (c) Copyright 2011. Library Journals LLC, a wholly owned subsidiary of Media Source, Inc. "This is a surefire hit for teens who like stories about friendship, romance, and mean girls getting a taste of their own medicine. The second in a series, this book can be read alone but would be best enjoyed in order." -VOYA "Winter White is an engaging sequel to *Belles* (Little, Brown, 2012) but can be read as a stand-alone.
