Building Or Refreshing Your Dental Practice: A Guide To Dental Office Design (ADA Practical Guide Series)

Synopsis

The design of your dental practice says a lot about you. You want to project an image of comfort, cleanliness and safety while expressing your personality and reinforcing your brand. With insights from dental architects, design consultants and practicing dentists, *Building or Refreshing Your Dental Practice* is a road map for navigating these issues and more, such as:

- Building an expert project team
- Financing your build or remodel
- Choosing an office site that meets your requirements
- Anticipating potential legal issues
- Determining your dental equipment needs
- Integrating your dental office décor, colors and finishes with your brand
- Incorporating green dental office design tactics

Featuring full-color photography from real dental practices, this dental office design book covers all the bases for building, renovating or simply refreshing your space. Let our team of experts inspire you so you can make a lasting impression on those who matter most: your patients.
