Amy Acklesberg is the author of many books for children.

Glad she's still around to share with my granddaughters!! Cute little story.

I remember Strawberry Shortcake from being a girl myself. She and her pals are updated but as beguiling as ever to my three-year-old daughter. The story is sweet and a way to teach my daughter everyone has their own special talents. The pictures are lovely, too.

My 3 1/2 year old granddaughter loves Strawberry Shortcake and really enjoys this book. The story is simple enough for her to understand and interesting enough to hold her interest. The pictures are bright and cute. I think any little girl who likes Strawberry Shortcake will enjoy this book

My granddaughter likes the strawberry shortcake books

What could be more fun and entertaining? pretty and colorful pictures (in every book) This book shows how to help your friends. I'm the grandmother and I love all of these books and DVDs!!

Our daughter LOVE LOVE LOVES this series of books! Sweet stories with good morals, manners and values. The pictures are colorful and fun. We hope to buy more for years!

I read the book to my daughter and she asked to hear it again three more times. I have seen her since looking at the pictures in it. I will get her more Strawberry Shortcake books in the future.

My 3 year old loves Strawberry Shortcake. This is a great book. It is thin paper so it is quite worn in the few months I have had it, but for the price and the fact she loves it, it is ok with me if it has to be recycled after a few months.
