A Practical Review Of German Grammar (3rd Edition)

Synopsis

Based on an empirical approach, this popular German grammar review is arranged as a flexible classroom book or reference grammar. Concepts are explained in step-by-step fashion. The book is designed to enhance comprehension. Exercises now include more contextualized practice of grammar points and are more consistent in length. It also includes an Appendix which covers information on German spelling reforms. Features exercises that are in natural German, frequently in conversational form. Provides quick-reference footnotes for words presumed to be unknown. For anyone interested in the German language.

Book Information

Hardcover: 397 pages

Publisher: Pearson; 3 edition (July 19, 1999)

Language: English

ISBN-10: 0139381430

ISBN-13: 978-0139381430

Product Dimensions: 7.2 x 0.9 x 9.3 inches

Shipping Weight: 1.7 pounds (View shipping rates and policies)

Average Customer Review: 4.2 out of 5 stars 10 customer reviews

Best Sellers Rank: #140,796 in Books (See Top 100 in Books) #70 in Books > Textbooks > Humanities > Foreign Languages > German #1363 in Books > Reference > Dictionaries & Thesauruses > Foreign Language Dictionaries & Thesauruses #1909 in Books > Reference > Foreign Language Study & Reference

I bought this for my hubby and he loves it. He said it is the best grammar he had. Well organized and easy to follow. And very thorough.

It is a good, well written textbook that helps explain important concepts in good detail. The written exercises enhance the learning experience and the book is neatly ordered into different concepts, such as different verb tenses, nouns, adjectives, subjunctive, etc.

Book is just OK. There are a lot of exercises but without the correct answer you can't tell if you are doing them correctly. Also, I don't care for the order the material is presented. If used in a class or with other materials, should be fine.

its great, but its "hoch deutsche" so if you want to learn german that is more commonly used, i would recommend just moving to germany.

The reviews printed here (other than this one) appear to refer to the 2nd not 3rd edition. Whenever a "second author" pops up on an edition of a successful one-author book, it almost invariably indicates the book had to be "more user friendly" or "more accessible" and other triple speak phrases. At least in this case the page count went down instead of doubling and the price decreased instead of doubling to tripling (as in calculus books for example). It reflects the drive to make SAT tests easier to bring up the scores, pass every one to avoid complaints and put in more and prettier graphics to "attract" the student. The third editon has less depth and fewer real exercises. Shade! It remains however a highly useful book; although my own feeling is that it ranks below a MUCH cheaper Schaums Outline, "German Grammer"

The third editon has less depth and fewer real exercises. Shade! It remains however a highly useful book; although my own feeling is that it ranks below a MUCH cheaper Schaums Outline, "German Grammer"

Although this is a decent intermediate German Grammar book, and in fact one of the best currently

available, the penultimate edition was vastly superior, in my opinion. There were more and better exercises, and I felt that the coverage of every point was really thorough--to the point of being German. This version seems by contrast a bit dilute. Nonetheless, I am sure that the lighter weight of this edition will be appreciated by those who have too much stuff to schlepp around in their backpacks.

As an upper intermediate speaker of German, this book pushed me to being advanced. My grammar is almost perfect after applying the elements of this book. I encourage anybody who is wanting to work on grammar and general fluency to use this book. I can't say that I have seen the second edition, but I will put that on my to-do list. I wish I could find such a good book for French grammar...
