Market Analyst Thomas Michael has served as director of world coin values for all of Krause Publications' world coin catalogs for the past 30 years. Equipped with a Bachelor of Arts degree in history and Master of Arts degree in economics, Michael, who has a lifelong passion for numismatics, has played a critical role in the creation of more than 100 industry-leading references.

Disappointed. The newest 2018 edition does very poorly. Still, some Canadian coins from 2014 are not there, and most of the bullion coins are not covered as far back as 2015. If they want is to keep buying this edition they need to do a lot better
