If These Walls Could Talk: Dallas Cowboys: Stories From The Dallas Cowboys Sideline, Locker Room, And Press Box

Synopsis

Known simply as "America's Team" the Dallas Cowboys are one of football's most storied franchises and always begin each season with a legitimate chance to add another Super Bowl title to their existing five. Author and Cowboys employee Nick Eatman, through interviews with current and past players, provides fans with a one-of-a-kind, insider's look into the great moments and the lowlights throughout the team's history. Readers will hear from players, coaches, and management as they discuss their moments of greatness as well as their defeats, making *If These Walls Could Talk: Dallas Cowboys* a keepsake no fan will want to miss.

Customer Reviews

Nick Eatman writes for DallasCowboys.com as the featured columnist and has been with the Dallas Cowboys organization since 1999. He has written for CBSSports.com, the Associated Press, and the Dallas Morning News, and he has been a three-year TV host for the Jerry Jones Show. Darren Woodson played safety on three Super Bowl championship teams for the Cowboys. He now serves as an ESPN football analyst. They both live in Dallas, Texas.

As a Dallas Cowboys fan, I pride myself on knowing random tid bits of knowledge or facts that people rarely know. When I was searching for some Christmas gifts and saw this was available, I threw it in my cart as quickly as I could! It took a little while to arrive, but the day that it did, I tore into it. There was a great forward by Darren Woodson, which was a nice surprise, and the book just got

better from there. Each "chapter" is broken down into different parts, or sections. It focuses on a particular player for a few short stories, and is filled with all kinds of random facts and fun memories that make for a great read. I hadn't heard of Nick Eatman the author; only Nick Eatman the supporting staff. This was a surprise gem to find, and I highly recommend it for anyone that's a true Cowboys fan, or just wants some more knowledge of players lives.

It was an ok read. I can never get enough of my Dallas Cowboys. I didn't really find a lot of new stories that haven't been covered previously in other books. There were a few, but not a lot. And it only covers the writers personal experience from the time he joined the Cowboys organization. Didn't appear to be a lot of in depth research to mine that hidden nugget of info or angle that hasn't been told many times before.

I've been a fan of the Cowboys since I was a little boy and I've been a fan of Nick Eatman since he was brought on to the dallascowboys.com website. For those who listen to the Lunch Break Podcast, this is an extended version of storytime with Nick. Most of the stories are pretty tame but there's one or two that will make you chuckle. If you're like me, and I know I am, you'll enjoy this book. Pick it up for the Cowboys fan in your family, I know they'll enjoy it.

I really enjoy reading Nick's articles and finally got around to ordering his book; great book, brought back some memories and hit some things I had forgotten about. Great book but did jump back and forth a bit with timelines.

Christmas gift that I already gave a little early. He has kept it next to the recliner and browses through it every few nights and seems to be enjoying the tidbits that are in it!

Very informative. As a fan of the Dallas Cowboys for several decades, I loved reading these stories. I watch the DC podcasts and enjoy Nick Eatman's insights into the game. I also appreciate a fellow Arkansas Razorback's enthusiasm.

I have purchased this book for many relatives, Dallas Cowboy fans all. And they have ALL loved this book!

The book is fantastic. A must for all Cowboy fans or anyone interested in the unusual situations that

involve this NFL team. The author is also a gifted journalist, a knowledgeable and witty talk show host on The Cowboys Break streaming online. Buy it; you'll love it.
