Start A No Dig Garden

Synopsis

Start a No Dig Garden - More Information About No Dig Garden And here is a preview: You can create a garden anywhere when you choose to do no dig gardening. No dig gardening is exactly what the term implies, gardening without digging. In a no dig garden, you simply layer organic matter on top of the soil and plant your garden. The garden is the compost that is feeding the plants. People usually refer to no dig gardening as raised bed gardening. No dig gardens are becoming increasingly popular. If you live where the soil might not be conducive to whatever it is you wish to grow, (the preferred choice is a vegetable garden) or you want to grow a garden on top of clay or a stony area, no dig gardening offers a practical gardening solution. Anything grows in compost. And BUY this book, if you want more! In this book, you can find out: dig garden, dig garden drip system, dig garden gloves, dig garden irrigation, dig garden irrigation kit, dig garden letters, dig garden statue, dig garden water timer, i dig gardening, i dig gardening shirt, i dig gardens
