DIABLO: Night Rebels Motorcycle Club (Night Rebels MC Romance Book 3)

Synopsis

Diablo, Sergeant-At-Arms of the Night Rebels MC, doesn't chase women the way his fellow brothers do. Women flock to the ripped, bearded, tattooed biker, but he pushes them away. His past haunts him and rage burns deep inside him. His only focus is the club, his Harley, and his shots of whiskey. He doesn't want a woman messing with his life. He doesn't trust them. Then he sees her. Her hazel eyes reflect sadness and regret. He's drawn to the loneliness that fills her up—it haunts him. She's his employer's daughter. He knows he should stay away from her, but he can't. He wants to take her in his arms and protect her, but she won't even talk to him. Diablo's not the type to give up. He wants her, and he'll do everything he can to make her his. Fallon Richardson can't stand a man's touch. Ever since her mother left her when she was a young girl, she's been living in hell. Her father is the kingpin in illegal underground fighting. She tries to make herself inconspicuous so the men won't notice her and the women won't make fun of her, but it never works. She hates being at the fights, but her father demands her presence. Then she sees him across the room. His penetrating stare pulls her in no matter how hard she resists. The tall, muscled man stirs feelings in her she has shut off for years. Her body wants him, yet, she can't give herself to him. Men are cruel, animalistic, and not to be trusted. But the tattooed man has a softness beneath his rough exterior that speaks to her. Then shadows from years ago emerge from the darkness, and soon Fallon doesn't know who to trust. Her world is turned upside down, and she fears not only for her sanity but for her life. Can Diablo and Fallon gain each other's trust in time for him to protect her? The Night Rebels MC series are standalone gritty romance novels. DIABLO is Book Three in the series. This book contains violence, strong language, sexual assault (not graphic), and steamy/graphic sexual scenes. It describes the life and actions of an outlaw motorcycle club. HEA. No cliffhangers. 18+.

Customer Reviews

I love this book. I love the storyline and characters. I got the book and started to read it, until I was finish. I can't wait for the other books in the series. I love, when the characters mentioned my other friends from the other series, I read. I am still waiting for you to write a colored women with braids into one of your series Mr. Wilder. It's time! ^ ^ ^®

A great read with so many twists and turns that will keep the reader's interest. This novel is about a shy and insecure young lady named Fallon and a tough outlaw biker with a heart of gold named Diablo. Their story is unique and does keep the reader's interest until the end. The plot does make this story. Well worth the reader's time.

I have enjoyed your MC books soooo much! The Insurgents was my introduction to your books and I loved them all!!! The Night Rebels MC has got its hooks in me now and I'm anxiously awaiting Goldie's story!! Diablo and Fallon were an absolute good match and I couldn't put it down. Thank you for your wonderful stories!!

I couldn't wait to add Diablo to my MC collection. Love the characters, they are fully developed. Love the romance, heat, suspense and brotherhood of the club. This is not a cliffhanger, but I would suggest you get the other books in the series just because of how good they are. Waiting anxiously on the next book

Another good book. Diablo and Fallon made a great couple they complemented each other well. Diablo helped fallen grow out of her shell to the woman she was deep inside. As always this book

has twist with bad guys that keep you trying to guess who the bad guy really is.

I am so hooked on this series. The release of the next one seems so far away. I fell in love with Chiah's writing style and can't get enough. The characters in her work is sexy, hot and the women that tame them are so realistic with real issues.

Bravo for Diablo and Fallon! My heart went out to her because of the abuse and neglect she suffered at the hands of her supposed Dad. And his wife, the friend, and the weirdo. I'm looking forward to reading about the other guys and their loves

What can I say about Diablo other than it was magnificent! I can't get enough of the Night Rebels. This was my favorite of the series so far. Diablo isn't the typical biker and that was refreshing to see. They both were what each other needed and I loved watching their love story unfold. Can't wait for more of the Night Rebels!
