It will help my library team create effective lessons. It will also be a great resource to help guide their teachers to books that will support their English/Language Arts and Social Studies curriculum.

While I have not had a chance to read the complete book at this point, what I have read has been

WONDERFUL! This book is chalk full of lesson ideas and books to use in the classroom, integrated Social Studies into every book. I will be keeping this book, even when the class is over.

This book is going to really help my team integrate social studies into the language arts curriculum! I am glad another teacher recommended it to me.

Great book for me to use in my future classroom!

A wonderful resource!

I had hoped for a lot more ideas for Kindergarten and first grade.
