Our Secret Christmas (SHS Book 2)

Synopsis

A feel-good, heartwarming, sexy story unlike any other story that you've read with Christmas in the title. Christmas is a really big deal in Britain. The parties and preparations begin in November, at the latest. In the construction industry, Christmas means two weeks off work for Connor and Lee. Yes, two weeks. They've only been dating since September. In secret. They just want to spend the holiday time together, like any other gay guys in love. Alone and mostly naked. And we all know the true meaning of Christmas is explaining and justifying to friends and family how you are spending the holiday and who with. This is another Sky High Scaffolders story, written mostly in British but with American spelling. An M/M story of 44,000 words. A long novella, not quite long enough to be a novel when size matters. Our Secret Christmas is a companion to Our Secret Wedding.

Customer Reviews

Our Secret Christmas is a continuing look onto the lives of Conner and Lee, from Our Secret Wedding. It tells more of their story and shows how they tried to deal with their secret romance. I enjoyed this book just as much as I enjoyed the first one and can't wait to read more of this series.

I loved the first story between Connor and Lee, and while this does fill in some blanks, I would have liked a more in depth look at their wedding. I loved the first book and this one is a treat as a add-on, but doesn't expect it to be anything but that.

This was a great story and so romantic. This just happens at Christmas time, with two great characters. This is most definitely a must read story. Your going to love it as much as I did. Many Thanks Honey Bee

I didn't realize that this was not a stand alone book, as it ended with tons of unfinished issues. It is well written with interesting characters. Not crazy about the ending.

Like all of H.J. Perry Books! Sexy and fun to read

British author HJ Perry lives by the English seaside and has written ten books to date about people and their relationships in the romance genre. HJ worked in the construction industry for years and knows the macho male dominated environment well! He is also a political activist for LBTG issues since 1980. OUR SECRET CHRISTMAS is the second book in his SHS series, and for those unfamiliar with the acronym, SHS stands for Sky High Scaffolders. Love etc accompanied by the thrill of being suspended high above the madding crowd. HJ has great fun with his writing, as is obvious from the first page. A play on the term erection (scaffold versus corporal) is hilarious. He writes so well that his weaving of erotica throughout the book is even more satisfying. The supplied synopsis at the opening of the book is as follows: Christmas is a really big deal in Britain. The parties and preparations begin in November, at the latest. In the construction industry, Christmas means two weeks off work for Connor and Lee. Yes, two weeks. They've only been dating since September. In secret. They just want to spend the holiday time together, like any other gay guys in love. Alone and mostly naked. And we all know the true meaning of Christmas is explaining and justifying to friends and family how you are spending the holiday and who with. For a holiday book with a flair, this is one of the best. Great humor, great erotica and steamy encounters, and a fine ending. Grady Harp, December 16

I really enjoyed getting Conner and Lee's Christmas story. Their whole relationship from the first morning to the day they came out you can sense their deep love and strong attraction. It's even

hotter when you follow reading it with the audible version. I loved every minute first reading then listening to it. I loved reading the book so I knew I would enjoy this. Tod Scott did a fabulous job of bringing H. J. Perry's vision to life. Conner and Lee were already sexy and hot and listening to them made them more so. I love this series so much. When I listen to a story I have already read I'm able to imagine the characters even more vividly. Plus, there are things that you might of missed or not placed as much importance on that you should have. This is one you'll want to listen to again and again.

I just finished reading Our Secret Christmas. It is a must read! I loved reading Our Secret Wedding so much and am so happy H. J. Perry gave me more of Connor and Lee. They are such a sweet couple that I can't help falling in love. I know you will too.
