Linda DuVal worked as a journalist for The Gazette in Colorado Springs for 32 years and has been a freelance writer since 2004. She writes regularly for magazines, newspapers and Web sites and has won a variety of awards for her work. Marty Banks is a freelance writer/editor. She has worked as a magazine associate editor and in corporate communications and marketing. Her first children's picture book, *The Splatters Learn Some Manners*, was published in 2009.

I was a little bummed to find very few pictures in this book. However, I found it to be a really useful

guide to the area. Instead of blindly surfing the internet for ideas, this lays out clear, concise topics that are easy to navigate. Sometimes I forget how much more useful a book can be compared to the world wide web.

Bought this as a gift for someone moving there - so I am not sure how helpful it will be. It looks like it's full of good information. The person I gave it to was thrilled.

This is a great little book with a lot of good information! I bought it because I am moving to the area and have found it really useful in getting to know my new surroundings.

Very interesting & well written. We liked it especially because it is more than a Travel Guide...it's got great information about the city in general. Thanks!

I planned a trip to Colorado Springs and had many books on the area and attractions (including one from AAA). Much of the info in here was duplications. It would also be good if you need a starting point for information.

Very detailed, with background on the history of different neighborhoods. All the other information you'd expect in a good guide book as well.

i still like planning trips and having a book on hand for reference when I travel. This is well-organized and easy to work with.

good source of information about the area
