Great Book. My son loves all of this series.

Brought this book for my daughter and she has learn so much on how "God Creation" she will answer every question that you will ask her on this story correctly. It's just amazing me to see how good the writer put this together for a kids beginning to read to there understanding.

I think it is wonderful to have books like this that makes it easier to read for children especially when it is a bible story.

We purchased this series for our church library, and just love the illustrations, and language level for our children.

I absolutely love the I Can Read books. They are so easy for toddlers to understand.

Great story! My kids love it!!

As part of their "I Can Read!" series, Zonderkidz has added Adam & Eve, God's First People, with illustrations by Dennis G. Jones. A Level 2 book ("reading with help") this delightfully illustrated volume does a good job retelling the story of creation. The book begins when "everything was dark" and "God was all by himself." Then he makes light, water, ground, plants, and so on. "It was all very good." Finally, God makes a man called Adam and a woman named Eve and "everything was very, very good." God gives Adam and Eve a perfect garden (called Eden) to live in. "There was only one rule: Don't eat from the tree of good and evil." All is well until one day a snake slithers into the garden, succeeds in some trickery: Eve and Adam both eat the fruit from the tree of good and evil. Suddenly, the two realize things aren't perfect any more. They hear God coming and try to hide from him, but end up having to admit their sin. "God told Adam and Eve to leave Eden. They couldn't live there because of sin. But God had a plan. His son, Jesus, would come to earth and save us from sin." What I Like: Jones' illustrations are wonderful. They have a humorous feel much of the time and are colorful and engaging. This is also the best recounting of Adam and Eve I've read for children; the author (who isn't credited) explains sin and - unlike some retellings of this story - reminds us God was already planning to send a Savior to earth. What I Dislike: I'm bothered by the statement that God was alone before he created the earth. The Bible says "Let us make man in our image, in our likeness..." (Gen. 1:26), which most Bible agree means Jesus and the Holy Spirit were with him. John 1: 1-2 also says "In the beginning was the Word, and the Word was with God, and the Word was God. He [Jesus] was in the beginning with God." The Bible also says God called all his creation

"good" and didn't call anything "very good" until he made people. Otherwise, however, I think this book is a great choice. Overall Rating: Despite the problems mentioned above, I give this title a rating of Very Good. Kristina Seleshanko Christian Children's Book Review

We like this series, wish there was more with the Great Women of the Bible was well.
