Pearl Necklace (Classics)

Synopsis

The pearl necklace is an iconic classic, which has offered an irresistible invitation to subversive reinterpretation through the centuries. Renaissance queens, maharajas, First Ladies, and starlets from the Golden Age of Hollywood to the present have all made the pearl necklace part of their wardrobes, each wearing it after the fashion of the times or their own fancy. In *The Pearl Necklace*, Assouline and Mikimoto explore the legacy of these lustrous strands through fine art and fashion in a luxurious volume that reminds us why the pearl necklace has long been the ultimate object of fascination and fantasy.

Book Information

Best Sellers Rank: #525,073 in Books (See Top 100 in Books) #235 in Books > Arts & Photography > Decorative Arts & Design > Design History & Criticism

Customer Reviews

This is a wonderful coffee table book with pages upon pages of jewelry by Mikimoto. A few pages of text, but the majority of the book are pictures. When I bought the book, I thought other kinds pearls would be featured. But alas, only Mikimoto. I do like the historical aspect that was covered; it provides a general overview, but not enough info if you're really into pearls. There are other books that go into depth of the history and lore of the pearl. This book is great for eye candy only, in my opinion. The book arrived in it's own box from the publisher, a very opulent book indeed.

Beautiful photos but not much text
