I am very committed to helping children hold books as you read to them as soon as they start talking. Hi I Am Noah is one of my favorites. My grand children, after a few times with me reading to them, would tell the story of Noah as they turned the pages. At less than \$5 each, you will want all 4 books in the series. --Jan Greve Pastor's Wife, Retired Children's Christian Education Director, Bible Study Fellowship Leader, Stephen Ministry Leader

The story of Noah is a very important Bible story. My 3 year old grandson has learned the story by heart and tells it to any and everyone as he turns the pages. He tells the story accurately with great enthusiasm even though he does not yet read. Very glad I bought this book.
