100 Easy Recipes In Jars

Synopsis

The most innovative way to give gifts from your kitchen. 100 Easy Recipes In Jars is a collection of easy to make, delicious jar recipes that will make a big dent in your holiday gift giving list. 100 Easy Recipes In Jars includes recipes for cookies, beverages, bars and snacks. There is also a tasty assortment of muffins, breads and hearty soups that everyone will enjoy. The recipes use simple ingredients to create a homemade meal or snack that's as easy to use as a store-bought mix. You do the hard part, while the recipient sits back and enjoys. As an added bonus, readers have access to more than 2000 online labels and recipe cards to decorate and personalize their handcrafted gift. These handsome, professionally designed templates can be used to add a personal touch and create a one of a kind gift that will be the highlight of any occasion.

Customer Reviews

This cookbook has many easy to follow recipes. The results, after making a few, were delicious! The cooking steps were very easy and able to be done without much difficulty at all. I also really enjoyed decorating the jars. I have received tons of compliments from friends and family for these unique

gifts. For the upcoming holiday season I look forward to trying numerous new recipes from this superb book. I highly recommend this appealing, well-written holiday treasure!

This book was not at all what I'd hoped. It's 100 recipes that include nut mixes, cookies, more cookies, and dessert breads. There's about 5 actual soup recipes and zero pasta meals. If you're looking for recipes for functional meals, look elsewhere.

Are you looking for a gift for the person who already has everything? Are you looking to find something unique for a shower or a special occasion? When you make one of these recipes in jars, and give the jar as a gift, you give something of your heart, and you give a tried and true recipe that the recipient can share with loved ones when the time comes to fix it for their family. Bonnie Scott has made this wonderful collection of recipes in book form, with directions in how to make them as gifts for others. Never again will you be caught thinking what to give the new bride, or the new mother, or what to send to relatives who live hundreds of miles away that won't spoil or crumble. You'll now be prepared for the most hard-to-please member of your family. This book is timeless, well-written, and extraordinarily practical.

Other reviewers commented on the fact that there are a lot of cookie mixes and fewer other mixes. The idea is for these to be gifts. I appreciate that the author gave the size jar everything fits, and the ideas and suggestions in the opening chapters are really helpful. I am going to Costco to stock up on the ingredients and to Bi-Mart for jars. Christmas is only 4 months away and I have a couple birthdays for some older friends who would enjoy the tea and coffee mixes.

I loved this book! I was able to get it recently during a free promotion, but it's definitely worth the \$3.99 to purchase. I worried if I'd be frustrated with viewing the photos on my oldie, but goodie 1st Generation Kindle, but I didn't mind at all. There are so many great tips, ideas, and techniques that color photos weren't necessary. The author was kind enough to mention an accompanying website where readers can view the photos in color. The recipes are fantastic! From seasonings, to cocoas, to coffees, to soups, there is absolutely something for every taste. I would recommend this to anyone interested in giving recipe gifts in jars. We have a couple of weddings coming up and this book has given me tons of great wedding favor ideas!

It is explained above. I cannot give any more than that. Have to realize some people have to be

very careful of what they eat. I am a diabetic so I have to be careful of sugars and carbs.

It's a combination jar recipe book, all recipes require perishable items. I was hoping that they were required only water with the jar recipes. However it's still a great addition to my kitchen. I am sure I could find this type of info for free on the web.

Surprisingly good creative recipes. I was really happy to see so many new ideas. I wish it had also some salad recipes as well
