Go For The Gold, Atalanta! (Myth-O-Mania Book 8)

Synopsis

The story about Atalanta losing a race because she stopped to collect the golden apples Melanion threw in her path is completely wrong. The myth most people know is a lie created by that myth-o-maniac Zeus. In reality, Atalanta could have won that race no matter what! Hades is back to reveal the truth behind another Greek myth.

Customer Reviews

I love this book series. My 10 year old son is obsessed with Greek mythology . We both really like that Hades is portrayed as a good guy and friend to all . I highly recommend this series to any child that loves to read.

This is such a funny, yet informational, spoof on the traditional myths. Read the whole series, starting with Have A Hot Time, Hades. My 5th grade students absolutely love these books and are very motivated to read!

Great books!

My daughter is trying to pass the barrier between reading beginner books to enjoying chapter books. This whole series has been great motivation and she has loved them all!

Amazingly shows how girl power rules, even though I'm a male.

My 8yrs old and 10 yrs LOVE THIS SERIE. They read one book per day, I was hoping they will have enough to read for the whole summer, but they devoted the books.

Excellent series for my 8 yr. old son interested in mythology.

It was a great book I thought it wasn't the best book I've ever read but it was really good!
