Book by Karper, Diane

Enduring hardship is something everyone experiences in differing degrees. "A Walk in My Shoes: Our Lives of Hope" is a collection of musings from Diane Karper as she reflects on the interviews she conducted with the people of rural Honduras, sharing their stories through a stage that they would have never before shared with others. A poignant look at these unknown lives, "A Walk in My Shoes" is a read that should belong any international memoir collection.
