Insanely funny book - maybe funnier to anyone who has ever owned a cat. Dates back to the 70's when double entendre made us all giggle.

I have given this a gift to 2 friends who are cat people and also have a very liberal sense of humor like myself. I think this should be awarded 10 stars and they would agree. One of the funniest books ever. Well thought out and would have been very funny without all the work but you can tell they spent the time to make this an epic.

Funny and silly. A little risque but harmless. Truthfully made me think of pre-pubescent boys, but worth the price for the word play and a few giggles. Kinda took me back.

Gag gift at our company party - it went over as wonderfully as expected.

Very cute.

Great gag gift for my wife's birthday.

Great gag gift

Two stars for the title. I expected this to be cleaver and funny. It was neither.
