Kaz Cooke is a humorist, a cartoonist, and the author of *Real Gorgeous*, *Living with Crazy Buttocks*, *Get a Grip*, and *Up the Duff*. Ruth Trickey manages her own multidisciplinary center where she is a midwife and natural therapist. She is the author of *Women, Hormones & the Menstrual Cycle* and *Menopause*. They are the coauthors of *Women's Trouble*.

Though this is 10 years old, it has a top quality nutrition section and pain management for endo. I have read through it and used it multiple times.
