Perfect

This is a reprint of the original Forest Flip Mat which was too dark. Paizo fixed the print darkness issue on this map and now it is amazing. This map will be used often at the table if you play a fair amount of outdoor encounters. Along with the Pathfinder Flip-Mat Classics: Woodlands, this map will be used as often to vary your forest encounters. The two maps can also work well together to make a larger woods. The tree art style varies between the two maps, but your players won't care. It doesn't bother me at all. These two are my favorite maps and are the best bang for the buck of all the flip mats.

I love to have this maps handy when i run my game

Came folded, looks really bad and makes them unusable. Bought multiple different mats from the same person and feel like I wasted my money.

Great mat to use for random Forest Encounters.

awesome
