Beautiful arrangements. I can not express enough my appreciation for the 20% slower tracks. I wish other accompaniment books did this. I am afforded the opportunity to practice and enjoy playing with the accompaniment even though I have not yet mastered the music. Also, the music is not artificially faster than intended to match the tempo that professionals often play. The 100% tempo tracks are still manageable on the tempo while remaining a challenge.

Excellent practice tool. Give your D Trumpet a workout

I needed this b/c I was playing for a concert and didn't want to play for an accompanist, this worked great
