Product Dimensions: 4.2 x 0.1 x 6.8 inches

Shipping Weight: 2.2 ounces

Average Customer Review: 4.5 out of 5 stars 4 customer reviews

Best Sellers Rank: #5,734,060 in Books (See Top 100 in Books) #45 in Books > Humor & Entertainment > Puzzles & Games > Board Games > Checkers #176 in Books > Humor & Entertainment > Puzzles & Games > Gambling > Roulette

Customer Reviews

If you're looking for a good basic review of playing roulette, you could read this, or you could read the entry on wikipedia and save a few pennies. As far as strategy goes, the attitude here is that there is basically no good winning strategy for roulette unless you run into a psychic Daphne Moon from Down Under like the author did. He's also not big on the various Martingale systems, which is the consensus of other authors I've read. The book is nicely written, free of grammatical errors and not thrown together like too many Kindle books, but if you're looking for a book on winning roulette, look around at other books.

Good book. Got me ready for a week in Sin City.

I didnt know anything about gambling before I bought this book. So after reading it, I went to Las Vegas and won Fifty Six Thousand dollars.

I've bought several copies of this book through out the years. It's a great beginners guide to crap playing. It's a descent system that has brought me luck.
