Orchestra Expressions, Book One Student Edition: Violin, Book & CD

Synopsis

Orchestra Expressions(tm) provides music educators at all levels with easy-to-use, exciting tools to meet daily classroom challenges and bring new vibrancy and depth to teaching music. The lessons were written based on the National Standards for the Arts in Music -- not retro-fitted to the Standards. The program is music literacy-based and satisfies reading and writing mandates in orchestra class. The pedagogy involves a "four-fingers-down" start for every instrument and separate but simultaneous development of both hands. Each student book features an attractive full-color interior with easy-to-read notes and includes: -A 92-track accompaniment CD that covers Units 1-18 (a second CD covering Units 19-33 is available separately, individually as item 00-EMCO1006CD or in a 25-pack as item 00-MCO1007CDP) -Historical notes on some of the most notable composers of orchestral music -A thorough glossary of musical terms Future reprints may be printed with black and white interiors. This title is available in SmartMusic.

This was an excellent gift. Thank you!

In my studio, I was always scrambling to gather everything for my students. Now, it is all in one curriculum method. This book contains full color pictures and drawings. It also contains a CD that allows the student to play along with the assignments in the book. This is all I need to use now with

other supplementary material for my older or advanced students.

Daughter uses book for violin lessons at school. Had it for a week and knows how to perfectly play 3 songs.

My son loves it!

Students are intrigued by the exercises, the standard tunes and the current selections from movies and TV. A nice addition to my collection of string curriculum books.

Perfect. As promised and delivered!

This book is perfect for beginners. It teaches the basics and is easy to understand

Great book!!!'
