Makes for good Bible study.

Excellent. I think there were things that were brought out very nicely in the study. Easy to use and well written. Also, it takes you to other books of the Bible to compare. I enjoy this Life Change Series study. Its not bad and so far the two that I have used have been very well written.

Great, in depth study. I really appreciate these study guides. My copy was a bit yellow from age, but absolutely no marks & in perfect condition otherwise. Price, Great!

Definitely better when used in a group setting. If you get it for yourself I doubt you will be challenged enough to benefit from it.

I like it. definitely not superficial. on week 7 and have probably read ephesians 5 times now.

This Life Change Series of bible studies is tremendously well done. While it was easy it was also challenging at the same time. I highly recommend it!!

Perfect for in depth study. Easy to follow. Great cross referencing. Used several different books from this series for a women's small group and everyone has loved the format.

Great book to learn more about the Bible. This is our second one in the series and it really makes you think.
