Come Unto Me: The Kingdom And The Crown, Book 2

Synopsis

Jesus of Nazareth's announcement that he is the Messiah has blazed through Jerusalem and the surrounding countryside like wildfire. As he travels through Galilee, the crowds follow him, witnessing miracles and healings. Jesus teaches the parable of the lost sheep and the return of the prodigal son. He walks on the water. But discipleship to Jesus the Messiah has come at a high price for both Simeon and Miriam. Tensions mount when Miriam is faced with a deadly choice: confess her involvement in the events at Joknean Pass and further sacrifice her relationship with her father, or remain silent and sacrifice her friends and fellow disciples to the Romans. Meanwhile, Ya'abin begins attacking Roman columns in the Judean wilderness, and Mordechai and Marcus unite to face a common threat. But Mordechai has bigger plans than simply ensnaring the Desert Fox; he plots to eliminate the threat Jesus poses to his religion and his family. And if his plans happen to also eliminate Simeon the Javelin, so much the better. *The Kingdom and the Crown, Volume 2: Come unto Me* is a story filled with passion and betrayal, action and sacrifice, friendships forged and relationships lost. It is a novel about coming to terms with the demands placed on your heart and about coming unto him.

Best Sellers Rank: #49 in Books > Christian Books & Bibles > Christian Denominations & Sects > Mormonism #62 in Books > Audible Audiobooks > Fiction & Literature > Religious Fiction #62 in Books > Audible Audiobooks > Fiction & Literature > Short Stories

Customer Reviews

A great big thank you to Goodwill for shipping me my books with tender loving care!! And I would like to praise the book author Gerald Lund for an outstanding job. Kingdom Crown Series is an amazing Chronological event of our Beloved Brother Jesus Christ. Gerald Lund has done an amazing job bringing the Characters in the Holy Bible to life. It's a MUST read.

Gerald Lund's writing is always a pleasure. It has been awhile since I read this book, I purchased this copy as a gift. The receiver is "devouring" it so I would say it was well received :-)

I just finished this wonderful trilogy about a family living in the time of Christ and their interaction with Jesus of Nazareth. It's a educational, historical, well-documented gripping masterpiece. The story is well-woven, with end notes after each chapter giving historical insight, references and letting the reader know what is historical and what is a literary device. It's true to the New Testament account of Christ's teachings, while adding in a fictional family with their friends who have a variety of reactions to this new preacher Who is he? Is He the Messiah? Belief has consequences. It answered many questions I had, like how could the crowds adore him one day and then call for his crucifixion the next day. How and why did some of the leaders of the Jews bring this execution to pass - against their own laws?? I love historical novels that bring history to life and teach the reader. This author exceeds expectations. I feel closer to our Savior Jesus Christ after reading this again.

Great author! I love his way of writing chapter notes at the end to explain everything. The story flows, its exciting and its true.

This book is part of a trilogy, "The Kingdom and the Crown". If you like the New Testament, you will love this set. It views life in the Holy land through the eyes of some fictional families. Through these books, you get a real feel for life under Roman rule, what life was like for a fisherman or a shepherd, a slave or a rich merchant. You see the inner workings of the Jewish councils. You experience life in Rome. You witness the birth and death, and resurrection, of Jesus the Christ, and much that He did during that time. This series puts the New Testament into perspective, lines the events up in proper order. You will laugh and you will cry, you will feel anger and you will feel sorrow. Watch as hate and prejudice destroys families of the rich and famous, but watch as pure love saves others. Witness the early struggles of Christianity in Judea ... and in Rome. Watch Peter and James in their daily lives. Be there when Matthew is called to follow Jesus. Be in the group of people who observe as Jesus raises Lazarus. Feel His anger as He clears the merchants out of the Temple. There are probably fanatical purists who will say that anything outside of scripture is wrong, but this book ... this series is so right. When you read this, you will want to read the Bible again. You will see it in a new light, through the eyes of people who lived in that time and place.

I love this series - in fact I have the CD's - they are on my Kindle and I purchased the books. I have learned so much from this series and have told most all of my friends they should read this series. I have lent out the CD's to a busy young mother that doesn't have time to sit down and read. I wish Gerald N Lund would write a book on what happened to Mary Magdalen after Jesus returned to his Father. I believe she was his wife and wonder if she was with child.

Like new. Great story to read/end at Easter time.

This is one of the best series about Jesus Christ I have ever read. It is very thorough and explains a lot about his parables and his miracles. Gerald Lund has combined fictional characters with real people and has created a great story and is very factual in the parts where Jesus is concerned. I have read this series several times and will probably read it many more because I learn so many new things each time. Gerald Lund has done massive research and it shows.
