Customer Reviews

I get the Harry Potter year in a box calendar every year for my desk and am always happy with my purchase. As with any desk calendar, the first few pages always seem a bit loose, but a week or so in and the calendar has no issue!

I've been buying the Harry Potter year-in-a-box calendars for many years now and this is the first time I've had a problem with it standing on my desk. The plastic base and backing is faulty and I have to balance it on something or it won't stay upright. I have nothing but positives to say about the wonderful pictures from the films. I'm sorry they've decided to make the 'holder' of those pictures so cheaply that it falls over instantly.

My Husband is the HP fan in this house he loves the quotes every day on this calendar this is his second one :)

I love that they decided to include quotes in this 2014 version, even if it's only in the weekend days!

The pictures are nice on each page. Looks good on the table. I am very happy with this calender. This is my second year I am using Warner Bros Harry potter Calender in a box. I would highly recommend this for any Harry potter fan.

Great calendar for all Harry Potter fans, photos and quotes from all 7 books and movies. Great quality and better than the 2013 version.

Love coming into my office to see the next photo on my desk. Not having any new Harry Potter films for awhile, I like being able to flip the dates off each day.

I love waking up each day, and having a Harry Potter inspired calender waiting for me. I start my day off the right way with the HP inspired year in a box set and couldn't be happier!
