Synopsis

Port Aransas, known colloquially as Port A, is on Mustang Island, one of the Texas barrier islands. This community grew from the seed of El Mar Rancho, the homestead an Englishman established for his family in 1855; the name Port Aransas was adopted in 1910. The evolution of Port A includes the guiding of sport fishermen to the hard-fighting tarpon fish, bouncing back from five major hurricanes, and the development of tourism that has made the town a nationally sought out destination. Despite all of the changes that have visited Port Aransas, the pace there still conforms to island time. Indeed, a number of images in this book were selected for how they portray that unique quality of life.

Enjoyed this

This little book (I actually read the Kindle version) is a great intro to the Port Aransas area, if you are planning on visiting or vacationing. But it's also a great history lesson if you've been coming here for

years or even if you live here! Quite a few pics that I hadn't seen. A MUST for any visitor or resident.
