Healer Of My Soul - Christian Counseling Memoirs: Though Deep Waters With Jesus

Synopsis

True Story of Medical & Inner Healing Miracles Doctors said that if she lived at all, she'd never walk. Born with an unformed twin entangled throughout her spine, the torrent of medical challenges for Lucinda Russell were overwhelming at best. Trapped inside a body that required more than fifty surgeries, it seemed all she could do to keep her head above water. Was it too much to hope she'd grow to find love despite her multiple scars and the prospect of dire complications flooding into womanhood? What marriage could withstand her ongoing health ordeals, let alone the medical certainty that she'd never be able to bear a child? Drowning in a sea of pain, Lucinda learned a secret. The One who knit her together in her mother's womb saw her in her distress. In the greatest romance of her life, Jesus counseled her through emotional, relational, and spiritual infirmities rivaled only by the fierceness of her physical battles. The Holy Spirit protected that seed of faith, lest it be swept up in a riptide of human circumstances. Heartrending, harrowing, and miraculous, this inspirational true story bursts forth from the brink of impending disaster. It sings out in vibrant testimony to the soul-deep, healing power of God. Customer Reviews

Having known Cindy and parts of her life, I was eager to read "the rest of the story". This is a true story and is one which will keep you reading and not want to put down. Cindy is a blessing to all who know her as is her husband Gary. God has gifted them both and their example is one for us to

imitate.
