DK Eyewitness Travel Guide: Delhi, Agra And Jaipur

Synopsis

DK Eyewitness Travel Guide: Delhi, Agra, and Jaipur will lead you straight to the best attractions the region has to offer. The fully updated guide includes unique cutaways, floor plans, and reconstructions of the must-see sights, from Humayun's Tomb and Rajput Fort-Palace to the world-famous Taj Mahal. Street-by-street maps of cities and towns help you navigate, whether you're in the bustling center of Delhi or the dusty, provincial town of Alwar. DK's insider travel tips and essential local information provides information on the great pantheon of Hindu gods, local wildlife, temples, bazaars, museums, and attractions. Detailed listings will guide you to hotels, restaurants, entertainment, and shops for all budgets. With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that brighten every page, DK Eyewitness Travel Guide: Delhi, Agra, and Jaipur truly shows you this destination as no one else can.

Customer Reviews

A friend loaned me her copy of DK Eyewitness Travel before I went to Cuba. Ten minutes into perusing it, I ordered my own copy. It served me so well that when I signed on for a tour of India's Golden Triangle, I searched for a DK India book. I was surprised to find this one specifically on Delhi, Agra and Jaipur. Both times, I purchased a print copy, a good choice since we were often without internet or wifi on both trips and couldn't research online. Both books are now highlighted, marked up and dog-eared. I like that the Delhi, Agra, Jaipur book includes areas near the 3 large cities. For example, I was able to read up on Haridwar and Udaipur before we visited them. I found plenty of valuable information about Rajasthan. I liked all the photos.

Even though I've traveled and lived abroad for years, I still found the Survival Guide section helpful. The book is definitely worth the \$16.00 price tag. Count me in as a DK fan!

The important thing for me is that this book - like all DK Eyewitness travel books - shows you what there is to see and does so in an organized manner. I find these books are essential for travel planning if you are a sightseer. All the museums, art galleries, historical sights and other travel information are well illustrated. It is also comprehensive so you don't miss much. I cannot see the value of other travel books that don't illustrate.

This was a very helpful guide and less expensive than if I were to buy it at a local bookstore. After my daughter & I came home from spending 5 weeks in India, I cut up the book and used some of the pictures & dialogue for my scrapbook along with photos I took.

borrowed this book from library before I traveled to these places in India. Another person on the tour with me had it. It has great pictures and wonderful maps of buildings and cities. Is a great guide

This publisher is the best. A great buy, delivered early and in perfect condition. Love it! I have used this publisher before, never disappoints...

Very thorough, but I'm finding it difficult to follow. I think this is probably a good guide if you've already been to the golden triangle or you are there using the guide. I am planning to travel to India and really wanted this book to be an easy read, which it is not. It does however, have lots and lots of information.

When I was looking for a guide to New Dehli, India, this guide caught my eye. When it arrived, it met my expectations. My trip will be to the area covered by the guide (New Dehli and surrounding area). We are particularly interested in the Taj Mahal. It and the entire area are covered in the sort of detail that is helpful to someone not familiar with the area.

This was a bit of a waste of money because I was on a tour to these cities and our tour guide provided much of the same information. It was heavy to lug around. I read it on the flight over and never opened it again. The book needs more depth on culture and history. I will donate mine to the local library.
