Complete Bike Maintenance New And Expanded Edition: For Road, Mountain, And Commuter Bicycles

Synopsis

Our best-selling bicycle maintenance book is back in an expanded, revised, and updated edition. This new edition includes the latest equipment from Shimano, Campagnolo, and SRAM as well as substantial sections on hub gears and the various types of bottom bracket/chainset combinations. With its step-by-step photos, it gives any rider the confidence and knowledge required to tackle regular maintenance, repairs, and even major overhauls.

Fred Milson's first love is bicycles, and writing this guidebook was a true labor of love. He

commutes daily by bicycle in London and has ridden a bicycle solo from England to Istanbul.

Complete Bike Maintenance New and Expanded Edition: For Road, Mountain, and Commuter Bicycles

This is a very well written and illustrated manual. It is up to date with all the newest bike components. I own a trail bike and a road bike and this book helps me keep them in great condition by doing the maintenance stuff myself. If you are the least bit mechanical, this book is for you. It has saved me a ton of money and down time because my bikes are not sitting in a shop. It more than paid for itself the day it arrived.

Comprehensive yet easy to understand. The basics were covered as well as the more complex repairs. Worth the investment for anyone owning a bike and wanting to provide the repairs rather than going to the bike shop for everything.

this book has some basic, very basic information regarding bike maintenance, most of them can be referred as those information that someone with some kind of curious skills can present.

GOOD BOOK FOR A BEGINNER BIKE MECHANIC. NICE PICTURES. OTHER BOOKS, ZINN'S, IS MUCH BETTER IN EXPLAINING BIKE REPAIR. I WOULD NOT RECOMMEND THIS BOOK.

delivery on time receive it next day . helpful. Great product for the price and definitely has some weight to it. I've never had a real chef product, but it cut through my pork chops like butter and potatoes too. Nice packaging also. Nice and valuable. give my parents ,
